TC 3700 MAIL ROOM

Dear Sir:

This paper is being filed to correct the first Supplementary Preliminary Amendment filed on July 9, 1999. Applicant has recently noticed that the claims filed in the first Supplementary Preliminary Amendment did not comply with 37 CFR 1.126, such that the claims were not numbered consecutively beginning with the number next following the highest number previously presented (see originally filed claims 1-15). The claims presented herein, namely claims 16-25, are identical (except for the numbering) to claims 1-10 presented in the first Supplementary Preliminary Amendment filed July 9, 1999.

Entry of the following amendments prior to examination of the application is respectfully requested.
